Dear Parents:

We will be receiving requests from the media for photographs of activities at Jacob Beam School. Recognizing the need for privacy, and that some families may not wish to have pictures published by outside sources, we would ask you to sign and return the attached form with your instructions as to whether your child may or may not be photographed by media personnel for out-of-school publication.

Every month our school newsletter and monthly calender are posted on our website, which is linked to the District School Board home page at www.dsb.edu.on.ca (Under schools) or if you want to add the link to your favourites it is <http://www.dsb.edu.on.ca/schools/jacobbeam/index.html>. Please feel free to browse our classroom newsletters, staff websites and other important school information. At Jacob Beam we are committed to reducing our Ecological Footprint and one way that you can help reduce our office paper consumption is to agree to read the monthly school newsletter online

We would appreciate receiving your response no later than Friday, September 18th, 2009
