Dear Parents:

Re: Daily Milk and Every Other Pizza Friday

This year Jacob Beam is once again running a milk program to offer students the opportunity to enjoy the great taste and nutritional benefits of milk as part of their daily lunch routine, starting September 28th, 2009. We are also holding Pizza Days on alternate Fridays starting October 2nd, 2009.

Instead of selling milk cards and ordering pizza bi-weekly we will be offering Milk and Pizza on a monthly pre-paid basis only. Attached is a printed envelope. An envelope like this will be distributed at the beginning of each month, it will have the updated information for pizza days and milk orders for the following month. Parents will have to complete, pay and return by the due date on the envelope in order to have pizza and milk for the following month. If your child is absent from school his/her pizza and/or milk will be donated to another child in need as unfortunately no refunds can be made. If you have old milk cards they may be used as payment towards your first order. Just subtract the amount of unused milk boxes from your order and enclose the card in the envelope.

We will be purchasing our pizza from Pizza Shack, who in accordance with Bill 8, "the Healthy Food for Healthy Schools Act (an act to amend the education act)", will provide us with pizza that has trans fat free cheese on it. You may wish to supplement this lunch with fruit and a drink (if you are not purchasing milk).

Please note that because we are pre-ordering the milk and pizza we can not accept late orders.

Sincerely

Staff of Jacob Beam

PLEASE NOTE THAT YOU DO NOT NEED TO ORDER MILK AND PIZZA, YOU CAN ORDER ONE WITHOUT THE OTHER.
