

**PARLIAMENT OAK SCHOOL
"PANTHER PRIDE"**

THINK PAPER
Grades 4-8

Please review the incident, sign and return to the office!

The "Think Paper" is an integral part of our school discipline and conflict resolution procedures. It is designed to help students reflect on what has happened to them, to problem solve, develop their communication skills, deal with their feelings, heal the pain and help them to take ownership with respect to restitution and reconciliation agreements. It also assists staff, parents and guardians to become aware of all pertinent information in order to make decisions which are deemed to be fair and just. We ask for your assistance with the process by reviewing the responses, signing, and returning to the principal. We thank you in advance for helping us educate our students to be good problem solvers and managers of conflict.
