

Oct. 19, 09

Dear Parent/Guardian,

Congratulations! Your child was chosen for this year's Junior Girl's Volleyball team. They put forth a great effort and attitude at the try-outs this year. A few things to note:

Driving - We will need drivers to assist in getting the girls to the away games. If you are available to drive, please fill out an insurance form, which is available at the office. If you have already filled this form out from another sport, we have you on file. Please meet us at the front entrance of PG at 3:15 p.m. to make driving arrangements. Please make arrangements of where your child should be after the games. In most cases, the parent volunteer will drive the girls home or *back* to the school after an away game.

Uniforms : Your child will be responsible for her own uniform. At the end of the season, they will return it to either Mrs. Shepard or Mrs. McConnell, cleaned!

Practices: We will be practicing at lunch or after school, on our gym days. We will do our best to let the girls know in advance, when the practices will take place.

Schedule: Games will begin at 4:00 p.m. and end approximately 5:00pm (or earlier, if possible)! All of our games are on either Mondays or Wednesdays for the next three weeks. A schedule was sent home and is also on the school website.

Equipment: Players are encouraged to purchase knee pads and have quality indoor running shoes with a good sole to keep from slipping. Knee pads are NOT required however, in order to play!

We are looking forward to a great season of fun and skill development!!

Mrs. Shepard and Mrs. McConnell
