

Dear parent(s) / guardian(s),

Nov. 20<sup>th</sup>

On Friday, December 11<sup>th</sup>, the Grade 6 Class will be continuing on a tradition that started 4 years ago with the Class of 2005. We will be hosting a Charity Volleyball Tournament - "The Macdonald Cup". Four years ago, the class raised money for a Korean War Veteran to go back to Korea, the place where he served our country. It was a very emotional time and the class was proud to bring some closure to that particular part in his life. The purpose of the event was to give students exposure to the veterans of our country and make them realize the sacrifices they made for others.

This year's class wants to "keep it going". We have invited 4 other teams from our community to participate in a fun, sportsmanship-filled day. All money raised will be donated to the Korean Veterans Association. We will be having a Snack Bar with baked goods, drinks and other goodies available for purchase. It would be greatly appreciated if you could send your child to school with some loonies and twonies in order to purchase treats. "Our" veteran, Ed Macdonald, will be on hand to encourage the players and hand out prizes. Feel free to drop in and cheer our team on!

Thank-you,  
Mr. Leighton
