

Why is it all about the kids?

The Education Foundation of Niagara is a charitable organization that raises funds in the corporate and private communities of Niagara to provide funding for programs and initiatives for students served by the District School Board of Niagara.

DSBN students benefit from grants in areas of nutrition, healthy lifestyles, literacy, numeracy, character building, environmental, technology and poverty.

Since 2006 \$220,000 has been granted to students for programs and poverty initiatives!

Legislated by a Board of Directors and comprised of Niagara education and community leaders, EFN strives to equalize educational opportunities for all students. Program enhancement, student achievement awards, poverty and emergency relief are the focuses of funding.

Thank you for helping us to help kids!

Julie Densham, Executive Director

www.efnonline.ca

EFN offers individual student grants to those experiencing poverty or situations of emergency that may restrict their access to educational needs. In the first Make Change for Children campaign, \$35,000 was donated by schools, Niagara Service Clubs and businesses.

Raising other funds for the Foundation includes marketing and sponsorships, partnerships and events.

Events:

- EFN Golf Classic
- EFN Gala It's All About the Kids!
