## Education Foundation of Niagara Appoints Executive Director

The Education Foundation of Niagara is pleased to announce the appointment of Julie Densham as Executive Director for the Foundation. Julie brings more than ten years of experience in fundraising and event planning to the role.

“It’s a big step forward for the Education Foundation of Niagara to hire a professional as Executive Director,” explains Bill Mozina, President of the Education Foundation of Niagara.

“We would like to thank the District School Board of Niagara for their support in this process and we look forward to Julie’s vision and guidance as our foundation continues to grow and benefit students.”

The Education Foundation of Niagara is an arms-length charitable organization that was established by the District School Board of Niagara. The EFN’s mandate is to enhance the learning opportunities for students of the DSBN. In the last three years, the EFN has contributed more than \$36,000 to support nutrition programs, and student assistance programs in the DSBN.
