

PRESS RELEASE

TIGER-CATS CONNECTION

On October 24 the Hamilton Tiger-Cats presented the first Athletic Award to Victor Bibby, GSS Football star on the field during the pre-game activities. The award was presented to Bibby due to his athletic excellence, commitment to academics and peer support activities throughout Grimsby Secondary School. Bibby has 3 universities he is considering and looks forward to a successful career in sports. This Tiger-Cat program is designed to aid schools in raising money for football programs, helping to cultivate passion and knowledge for football and teach students the values of dedication, commitment, and teamwork.

700 students, parents and DSBN staff were on hand to support Victor and enjoy the final home game for the Tiger-Cats. Schools involved were Grimsby Secondary School, South Lincoln High School, Sir Winston Churchill SS, Fort Erie Secondary School, St. Catharines Collegiate, Beamsville SS, Governor Simcoe and West Park SS

The whole evening is a collaborative effort between the Hamilton Tiger-Cats, EFN and DSBN demonstrating how we can all “achieve success together”.
