

PRESS RELEASE – September 6, 2007

FIRST GOLF TOURNAMENT A HUGE SUCCESS!

The Education Foundation of Niagara (EFN) is thrilled to announce that due to the generous support of its sponsors, donors and participants, over \$18,000 was raised at its inaugural EFN Golf Classic held Wednesday, August 22, 2007 at Royal Niagara Golf Club.

“It’s of no surprise to me the amount of support we received from the Niagara community and the education sector,” stated Julie Densham, Executive Director of the Education Foundation of Niagara. “The foundation works for kids and everyone that participated in the tournament whether it be as a sponsor, donor or player, want to support families and the welfare of our children in this tournament. It was a great day with a great cause and we are already looking forward to a bigger and better tournament next spring.”

The shotgun scramble tournament hosted seasoned golfers and first timers alike. At this fun and exciting tournament, everyone enjoyed a golf clinic by the famous golf professional Cathy Sherk, club demo with Nevada Bob’s Golf, BBQ lunch, player gifts, massage therapist, competitions, banquet dinner, silent auction and more. The Education Foundation of Niagara would like to thank M/C’s, Jack Peets and Lori Love from 105.7 EZ Rock, major sponsors such as Johnson Insurance Inc, Superior Insulation Services, PSI Corporate, Head 2 Toe, Corporate Chemicals, The Business Education Council, Laidlaw Transportation, and Nevada Bob’s Golf. Also a special thanks to all of the t-deck and flag sponsors, as well as player gift, in-kind and silent auction donors, volunteers and all players for making the day a tremendous success.

Tournament winners were Denis Letourneau, Cam Hathway, John Palumbo and Anthony Annunziata. Proceeds will be directed towards students served by the District School Board of Niagara to provide funding for projects designed to enhance learning opportunities.
